Please read the following rules and regulations (executed by the SLO RC Officers of The Board) carefully before signing.

1. The San Luis Obispo Rowing Club is for members only. Under no circumstances will the combination to the boathouse ever be shared or given out to a non-member. This includes family, close friends, and guests.
2. Member guests must always be accompanied by a member when entering the boat-house or using any of the club equipment and/or supplies.
3. Member guests may row two times; after two rows they must join the club, pay their dues, and sign the Member Agreement Rules (this form) and the liability waiver.
4. Scullers may use only club equipment. Under no circumstances may they use private boats, oars, or other non-club equipment.
5. Private boats and equipment must be clearly marked. Club oars will be stored on the left exiting the boat-house and private oars will be stored to the right and clearly marked as private.
6. Single scullers may not row alone and must be accompanied by at least one experienced or qualified member. No boat shall be removed from a rack or carried to the dock without two people handling it in order to prevent damage.
7. Boats that are being restored or waiting to be restored are clearly to be marked, DO NOT USE!
8. Rowers must use the log book to record their rowing activity including time and boat used every time they row. Rowers must log in prior to rowing for safety reasons and log out when they return.
9. Boats and equipment must be maintained as explained in training classes or by an experienced club member. This includes rinsing and wiping down boats paying particular attention to the seat tracks making sure they are clean and dry. Report any damage by noting it in the log book and clearly mark any equipment "UNUSABLE" if so determined. Oars must also be rinsed and wiped down to remove any water sludge or dirt.
